Named Best Overall E-Discovery Company for 2015

www.elijah.com
2015 Reader Rankings

Welcome to the Fourth Annual Daily Business Review Reader Rankings in which DBR readers cast their votes for their favorite vendors. The vendors ranked in this magazine are firms that readers said are the best of the best. They are the ones that help with all aspects of business, from technology to banking to client services.

Voting took place in August and September via electronic surveys sent to readers and via access to the ballot at DailyBusinessReview.com. The ballot consisted of 51 categories of business supporting the legal, real estate and finance communities. The reader rankings are not a scientific or an editorial analysis. The results were compiled by the sales and marketing team at the DBR.

Measures were taken to yield accurate results, rejecting votes that could be determined to be illegitimate. In total, more than 10,130 legitimate votes were received. Thanks to all of those who took the time to cast ballots.

In addition to the annual results, this year’s edition includes a special listing of companies that have finished in the top two of their respective categories each of the last three years. Those select repeat winners are honored as members of the Daily Business Review’s BEST OF 2015 Hall of Fame on page 6.
